

INTENSIVE

SPANISH B1

In this course you acquire language skills at the level B1 of the Common European Framework of reference (CEFR). The courses take place in small groups of no more than 10 students. Our bright and spacious classrooms are equipped with the latest technology and audio-visual media. The courses are taught by native and non-native speakers with over 15 years of experience who continuously update their teaching methods to the state of the art. It is important that all students of a group start with a homogenous level of Spanish; therefore we offer the possibility to take a non-binding placement test to find out your current level of Spanish before you start the course. If you wish, you can take an official exam at the end of your course and obtain your official Spanish certificate.
